

Ochoco Creek Clean-up

Date Change! April 6th, 2019

Help remove trash from Ochoco Creek prior to high water

- Registration will begin at noon at Pioneer Park (3rd & Elm Street) , and cleanup work will start as soon as teams are formed and briefed.
- Volunteers will work in teams of four, with two people staged on the bank in support and safety of those working in stream. Instream volunteers must be 18 years or older.
- Each team will be assigned a section to focus on. We anticipate it will take about 2 hours to thoroughly clean a section.
- Trash bags, pickers and latex gloves will be provided.
- Bring rubber or other boots with traction for muddy and wet bank conditions, waders and neoprene gloves for those doing instream work, warm clothes, sunscreen, hat, eye protection/sunglasses, walking or wading stick for support.
- Be prepared for changing conditions, including winter weather and varying water levels.

To sign up, send email to carolbenkosky@gmail.com by April 2nd
